

International Collaboration

“ We truly have begun to recognize that our mission extends beyond the North American border.”

W. Frederick Schwenk II, MD, FASPEN
 ASPEN President 2002

ASPEN has partnerships with international federations that support the nutrition support community.

The European Society for Clinical Nutrition and Metabolism

- Established in 1980, succeeding the International Society of Parenteral Nutrition (founded in 1966)
- 66 PEN Member Societies
